Donation Request Form

We are delighted to receive requests to help with our local community and nonprofit organizations! Scoops & Sprinkles prides itself on being very involved in our community, however, due to the high volume of donation requests, it is not always possible for us to contribute to every group who request a donation. To be considered, this completed form and an organization/company letterhead, including a valid Tax ID number and details regarding the request, must be submitted at least two weeks prior to your event. Please know, if your request is denied, it is no reflection on your group. All groups and causes are extremely worthy. We must, however, adhere to our yearly donation budget. If we have said yes to you in the past, it does not necessarily mean we will be able to contribute to your organization again this year. On the same hand, if we could not accommodate your request in the past, it does not necessarily mean we will be unable to help your organization this year.
