Scheduling Requirements

Our priority is always ensuring we have enough staff to cover all shift. We will try to be as flexible as possible in scheduling around family events, school and/or sports schedules when given enough notice. Please be sure to provide us with your school/sports schedules as soon as they are available so we can be sure to schedule you without conflicts.

A requirement for employment is that you must be available to work at least ONE week night and one weekend day or night (a Friday, Saturday or Sunday day or night shift every week - we will not require you to always work weekends but we must be sure coverage is available). **If you cannot commit to this, please do not apply.** If you are hired and are unable to fulfill this requirement, you will be taken off the schedule.
